Lobby Chair

Arcadia

Arcadia's appealing radius design elements and matching upholstered side panels promise to create a warm and inviting atmosphere. The elevated seat height combine with extended arms for ease of standing. Our patented Key-Loc® cushion system provides a quick and cost effective means to keep your furniture looking great for years.

The **Arcadia multi-purpose lobby chair** is the perfect choice for a wide array of seating needs. This chair provides a comfortable alternative to hard plastic or metal seating found in many office waiting areas, libraries, and dining areas alike.

Endurance

The **Endurance** series is the bench mark of the Blockhouse lounge seating line. With its clean lines, the **Endurance** series offers the warmth of wood and the durability of solid oak butcher block to ensure lasting performance. Our patented Key-Loc® easy maintenance cushion system is standard along with the lumbar support and no-sag springs.

In keeping with all the characteristics of the series, the **Endurance Rocker** also features a quiet rocker mechanism tested to one million cycles without failure.
